Apartment

Year of construction

2006

Apartment next to the bus station of the area, the property is just 15 minutes by car from the airport of Kavala and almost 16-18 minutes from the port of Keramoti from which there are frequent ferries to the beautiful island of Thassos.

The apartment is 76 m², located on the ground floor and consists of an open plan kitchen - living room, 2 bedrooms, bathroom, indoor and outdoor storage, fireplace and also has 3 balconies, a parking space and autonomous oil heating.

The space is functional and is highlighted by the external light that enters through the balcony doors and easily penetrates the interior of the apartment due to the open and sparse area.
