

R07798

Building complex (guesthouse) in Portaria Magnesia

📍 Portaria | Πορταριά, Magnisia | Μαγνησία

Covered

📏 400 m²

It is a building complex consisting of 3 buildings, two of which are unified at the basement level.

There are 5 rooms (guesthouses). In the complex there is a café - breakfast - restaurant area on the ground floor of building 3 and in the semi-basement of building 2, as well as the necessary auxiliary - storage rooms in the unified basement of buildings 2 and 3, as well as service rooms.

It is a very good construction, morphologically in line with traditional standards, with a large open space with a view of Volos.

Type	Mixed use
Status	Resale
Year of construction	2008
